Ex. 3 Now look at the lyrics on the next page and try to place the words in exercise 1 in the correct gaps.

I came, I, tore down theses
Block one way, I'll find
You know you'll always beed
If it's me, you, I can't
I'm in love with if you love me, yeah

Don't ever, and I'll stay the
We'll be swimming in the same
And we'll never lose this
Nothing they can do can stop this army of two
We're marching to the future, yeah, it's me and you

So just follow my lead, repeat after me
Our faith is the bullet, hope is the gun
And love is all we need
Now fear's on the run
We've already won
Now march with the band, raise your right hand
We've only just begun

I took a to never let you
When it's us, there ain't no
I can be the star on which you're wishing
I never doubted for a moment it's true
I love all of..... if you love me, yeah

CHORUS
Only just begun, only just begun,
only just begun

It's the moment of truth,
I'm counting on you
This army of two have only just begun
It's the moment of truth,
I'm counting on you
This army of two have only just begun

Ex.4 Listen to the song and complete the gaps using the words in ex. 1
