

SAFE AND SOUND TAYLOR SWIFT

I remember  streaming down your  _____
when I said I'll never let you go.

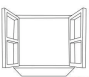

When all those  almost killed your 
I remember you said don't leave me here alone,
But all that's dead and gone and past tonight.

Just close your ,

The  is going down.

You'll be all right,
No one can hurt you now.

Come morning ,
You and I'll be safe and sound.

Don't you dare look out your  _____

Darlin' everything's on .

The war outside our  keeps raging on,
Hold on to this lullaby.
Even when the music's gone, gone...

Just close your ,

The  is going down.

You'll be all right,
No one can hurt you now.

Come morning ,
You and I'll be safe and sound...

Just close your ,
You'll be all right,

Come morning ,
You and I'll be safe and sound...
